Palmer:

Might you have a room reserved for this meeting over at OW? I'd like to come over and participate in this meeting with you so I'm there for the 3:00 festivities!

Judy:

I just spoke with Sam Snyder of the AK Conservation Foundation. I confirmed that we are still on for tomorrow's presentation from them. Sam will be emailing us their powerpoint before the meeting. He will also be sending you a list of their participants so you can add them to the meeting invite and send them the URL.

It might be a good idea to send a confirmation to everyone that we are still on for tomorrow.

Please let me know if you have any questions.

Thanks, Palmer

Palmer,

Apologies for the slow reply on this potential presentation regarding our work to develop a hydrologic model of the Bristol Bay watershed. It sounds as like the two key people on our team are travelling on the 24th. Would the following week for a meeting work? Wednesday May 30? Same original time 2-3 pm?

Thank you.
Best,
Ss
